At City Acre we believe in making it from scratch. We bake our own buns and grind our burgers fresh. Our meats are cured and smoked in-house and our pickles and salads are from our garden and the community. All your food is made fresh to order so large groups and busy days may require you to have just one more beer while you wait.

Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness. Not all ingredients are listed. If you have allergies, let your server know.
